Rockin' at the Rockefellers: Brothers **Bo** and **Bill Winiker** have gigged for more than a few boldfaced names in their day. The boys' long and illustrious list of clients includes the late Rhode Island Governor William Henry Vanderbilt III, Henry Cabot Lodge Jr. -- on the occasion of his 50th wedding anniversary -- and even **Bill Clinton** at his 1993 presidential inauguration. Well, Bo's band was at it again Saturday, playing at **Richard Rockefeller's** wedding at the historic Rockefeller estate in Seal Harbor, Maine. Among the guests was actress **Glenn Close** and her husband **David Shaw**, both of whom joined Bo's orchestra on a version of "Waltzing Matilda." By the way, the Winikers -- Bo plays trumpet, Bill plays the drums -- play every Sunday at Skipjack's in Copley Square.
